Agenda Item #1:	Welcome

Notes:

- Anker opened the meeting and reviewed the purpose of the discussion.

Decision(s)/Outcome:

- The team agreed to focus on problems related to campus study spaces.

Required Action/Next step: Confirm the investigation topic.

Who: All team members

When: During team meeting

Agenda Item #2:	Clarify

Notes:

- The team discussed several problems students may experience when using campus study spaces.
    - Limited seating
    - High temperature / uncomfortable environment such as noise.
    - Wi-Fi problems
    - Lack of convenience during peak hours
    - Some students using personal belongings to reserve seats

Decision(s)/Outcome: The main problems to investigate are limited seats, temperature, noise, Wi-Fi and Some students using personal belongings to reserve seats

Required Action/Next step: Identify the main study space problems.

Who: All team members

When: During team meeting

Agenda Item #3:	Investigation Direction

Notes:

- The team discussed who uses the study spaces, why some students do not use them, and their concerns.
- Also discussed asking students to rate their satisfaction with the study spaces on a scale of 1–5.

Decision(s)/Outcome: The team agreed to investigate students' experiences and satisfaction with campus study spaces.

Required Action/Next step: Decide what information to collect.

Who: Jon, Nene, and Peiwa will do the interview.

When: Deadline on Friday 11th

Agenda Item #4:	Set the scope

Notes:

- Focus on seating, temperature, noise, Wi-Fi and seat reserving.

Decision(s)/Outcome: Keep the investigation focused on these issues.

Required Action/Next step: Finalize the investigation scope.

Who: All members

When: Before creating the questionnaire

Agenda Item #5:	Plan the questionnaire

Notes:

- Discussed questions about usage, reasons for not using the space, and concerns.
    - Do students use the campus study spaces?
    - Why do some students not use them?
    - What concerns do students have?
    - How satisfied are students with the study spaces?

Decision(s)/Outcome: The team agreed to prepare questions based on the problems identified during the meeting.

Required Action/Next step: Prepare the interview questions.

Who: Nene and all team members

When: Before the interview

Business Communication: Meeting Minutes

Agenda Item #6:	Agree on responsibilities and next steps

Notes:

- The team assigned Jon and Nene to conduct the interview. The interview will focus on students using the library, around lunchtime.
- All team members can help with the interview.

Decision(s)/Outcome: The team agreed to work together on the interview.

Required Action/Next step: Prepare and do the interview.

Who: Jon, Nene and other members

When: Before the next meeting

Agenda Item #7:	Wrap Up

Notes:

- The team reviewed the main problems and agreed on the direction of the investigation.
- Planning the next time meeting requirement.

Decision(s)/Outcome: The team will continue investigating campus study space problems through student interviews and questionnaires.

Required Action/Next step: Continue with the interview and questionnaire.
